 PROMOTIONAL PRODUCTS

MEETING/CONFERENCE

Hand out a mid-meeting snack with custom designed canisters of cookies, snacks, or confections. Each gift can be customized to any event, including event information as a marketing tool. Include a welcome message along with a tasty treat for a dual-purpose promotional item.

All gifts can be bulk shipped, shipped via Chunky Mail or customized with branded custom wraps. The customization is not only in the design, but also in the box configuration and shipping method.
